

New Voice. Deep Roots. Strong Future.

HEAR LEAH'S 100 DAY PLAN

My 100 Day Plan is about opening the doors of Council and putting our community at the heart of every decision.

I'm not here to make choices behind closed doors, I'm here to open them.

In the first 100 days we'll set a new tone of honesty, inclusion, and accountability. Real change begins by empowering every voice and together we'll build the trust and momentum to move South Wairarapa forward.

Council

Unite councillors with a shared vision and the tools to deliver effectively.

Community Boards

Empower boards with clear roles, support, and strong links to residents.

CEO & Staff

Work alongside staff with a 12-month roadmap and a "make it happen" culture.

Business & Growth

Apply a business lens and drive growth through vision, summits, and community input.

Connecting Rural

Bring rural voices to the table with an advisory group and regular forums.

Trust, Transparency & Financial

Open the books, streamline systems, and rebuild trust through honest accountability.

Infrastructure

Prioritise affordable and innovative infrastructure to handle growth long term.
